Butch and Kim,

On behalf of the Greenwood, Arkansas Chapter of the ACS Relay for Life team, I wanted to take this opportunity to express our "Thanks and Gratitude" for your contribution to the success of our fundraising kick-off. Your generous donation of the jewelry items listed below helped to raise almost \$400 to help in the fight against cancer! We appreciate your willingness to be a part of our campaign to bring to an end this dreaded disease. People and businesses like you help to keep that hope alive!

May God bless you both and the great work that you do at B&K Enterprises. We are honored to have partnered with you on this event!

God Bless You,

Tony "Witt" Wittenburg
